

LogProvider

```
package com.fr.stable.fun;

import com.fr.stable.xml.LogRecordTimeProvider;

/**
 *
 * .
 * .
 * .
 *
 * Created by Administrator on 2016/1/11 0011.
 */
public interface LogProvider extends Level {

    String MARK_STRING = "LogProvider";

    int CURRENT_LEVEL = 1;

    /**
     *
     *
     * @param logRecordTime
     */
    void record(LogRecordTimeProvider logRecordTime);
}
```

```
<extra-core>
  <LogProvider class="com.fr.plugin.xxx.youclassname"/>
</extra-core>
```
